ROWDIES DO IT AGAIN

Pep assemblies were a big part of life at Stebbins High, and each one seemed to be better than the last. At the first one everyone seemed to be waiting for the **Scalp.** The Seniors and Juniors went at it while all the Sophomores watched and learned. Everybody seemed to be screaming their guts out and in the end, the Juniors broke the tie in a **Scalp-off.** The next pep assembly seemed to be much the same only louder. It was Homecoming and this time the entire school was outside. Many more activities took place that day, including a performance by the marching band and the famous bed race. The bed race had a clear winner from the start. The Sophomores beat the broken down Junior and Senior beds by more than a quarter of a track. The Sophomores were proud and tried to carry it into the **Scalp.** but it was not to be. The **Scalp** finally came and in another **Scalp-off,** between the Juniors and Seniors, the Seniors won. The Seniors went wild and the Juniors vowed that they would get it back. Since then the Juniors have kept their vow, winning every **Scalp,** but the Seniors haven't been giving them an easy time.

What you see here is usually what goes on here at **Walter E.** You have your basic gossipers, crazies, leaders, followers, day dreamers, rowdies, hard workers, partiers, all which compile your basic student. There is so much variety in these halls that it is hard to say what is really everyday and what isn't. Everything is everyday here, and if you don't believe us, just look around you sometime. (If that makes any sense at all.)

WIND, WATER, SAILING

Senior gym, in its third year at Stebbins, took to the water at Eastwood Lake during the fall quarter. In September the Senior gym class went sailing every other day for three weeks. After sailing was over they returned to Eastwood for canoeing and fishing. The Senior gym class also participates in many other activities including, bowling, golf, swimming, racquetball, skating, and tennis. As for the Seniors themselves, they described Senior gym as **FUN.**

Stebbins Goes Western

During the week of October 13-20, Stebbins High took on the look of **The Wild, Wild West** to celebrate Homecoming. Each class had a day to decorate their hall portraying the western theme. Each hall was judged for originality and appearance. The Senior hall was in first place followed by the Sophomores and Juniors consecutively.

The school week was topped off with the pep assembly Friday afternoon. Competition between classes continued with the bed race which was won by the Sophomores. The Junior and Senior beds made a valiant effort but fell short, very short. The traditional SCALP was taken for the first time by the class of '80.

The Homecoming game against Troy, though a loss, was not a total disappointment. The Homecoming Court circled the football field in sleek Trans-ams, waiting for the big announcement. **Jennifer Tartell** was crowned queen and reigned over the game and the dance on Saturday,

Boy! Don't you wish some cheerleaders would be neat and shave their legs! That's what some people were saying as they were cracking up laughing at the new squad of cheerleaders for the annual **Varsity-S-Faculty** basketball game. A group of 7 guys put on the traditional sweaters and skirts, and cheered on the **Varsity-S** team. The squad included Seniors **Chris Davis** and **Kurt Bullock** and Sophomores **Jack Shaffer, Doug Waker, Tim Henry, Bryan Girard** and **Mike Casterline.** They looked authentic, doing cheers, mounts, attempted some acrobatics, and even did the splits. The thing was a riot, and to tell you the truth, stole the show because the **Faculty** beat **Varsity-S** by ten points.

Double Vision

Some people might have thought they were seeing double when they walked down the halls of Walter E. To break the hum-drum routine of everyday life, the Student Senate held a twin day. Several people became lookalikes for just one day. We had men from outer space, baseball players, waiters and many other confusing doubles to make the day just a little bit different. This event was part of a Spirit Week which also included other new ideas such as "Mr. and Ms. Irresistible."

New Time, New Space

The decade of the 1970's saw the rise and fall of several fads and fashions. Young and old got into the "swing" of everything from Disco to Punk Rock, from Annie Hall to patched blue jeans, and from Yoga parties to Toga parties. These lighthearted activities helped keep us sane throughout a decade of hardships and turmoil which filled our thoughts with uncertainties about our government and personal security. Hopefully the decade of the 80's will bring about insights and solutions to the problems of our society.

Class competitions which took place throughout Spirit Week aroused the entire student body. Everybody who helped in the decoration of the halls took pride in having the rest of the school admire their work. Unfortunately, the state fire marshal showed up on Friday and ordered the winning Senior halls to be razed before all could see. He claimed the decorations were a fire hazard and no halls will be decorated at Stebbins in the future.

Queens '78 and '79 and their escorts.

The events and activities which took place at the Homecoming game highlighted the entire day. Spirit was aroused at the pep assembly and continued to rise as the moment neared — the crowning of the Queen. Nerves were on edge because of wondering both who would be the Queen and who would win the game! Finally, halftime revealed the secret to all — **Jennifer Tartell** was crowned the 1979 Stebbins High Homecoming Queen. Tears of joy and happiness were shed, but the excitement didn't end there. The second half of the game still had to show if the football team could pull ahead and win. Even though the student body supported the team right to the end, Troy won and the night ended in a disappointment for all.

Athletes Honored with Awards

Sports awards were held in the fall, winter and spring this year to honor the athletes who have participated in sports at Stebbins. The award ceremonies were a good opportunity to congratulate the outstanding athletes at Stebbins.

Walter Mondale Honors Stebbins

May 20th, 1980, is a day that will long be remembered in the history of Stebbins High School. On that day, the Vice-President of the United States, **Walter F. Mondale,** visited our school. He held a "town meeting" in the field house. From the time the phone call was received suggesting the visit, until the Vice-President arrived, the school was buzzing with activity. White House advance teams, communications staff, and Secret Service men combed the entire school and the grounds. The Vice-President gave an arousing speech and answered questions developed in the social studies classes. He also was presented a baseball jacket by **Ken Jackson,** honoring him as a member of our team. It was quite an event!!!

On April 25 and 26 Stebbins High School drama club hosted the play "The Man Who Came to Dinner." With the expert direction of Mrs. Jenning and student direction of Tammy Sweat, the play's result was both humorous and touching. The story took place in Ohio, 1938. Sheridan Whiteside, passing through town on a lecture tour, is invited to dine at the Stanley household and accidently falls on some ice, fracturing his hip. His visit then turns into several weeks of recuperation which the Stanleys find difficult to endure. Mark Brant played an excellent lead role as Sheridan Whiteside.

CLIMB TILL YOUR DREAMS

COME TRUE

Often your tasks will be many,

And more than you think you can do . . .

Often the road will be rugged

And the hills insurmountable, too . . .

But always remember, the hills ahead

Are never as steep as they seem,

And with Faith in your heart start upward,

And climb till you reach your dream,

For nothing in life that is worthy

Is ever too hard to achieve.

If you have the courage to try it,

And you have the Faith to believe . . .

For Faith is a force that is greater

Than Knowledge or Power or Skill

And many defeats turn to Triumph,

If you Trust in God's Wisdom, And Will . . .

For Faith is a mover of mountains,

There's nothing that God cannot do,

So start out today with Faith in your heart

And 'Climb Till Your Dreams Come True'

INDIANS GET SCALPED 0-10

Indians football team had a surprisingly poor record this year. Although the coaching staff had a major change, with veteran assistant coach Gary Miller taking over as head coach, the Indians could not pull off a victory. Their final record was a sad 0-10, but the coaching staff is hoping that with a big turnout next year and with some experience, there will be some changes in the team as a whole. Hopefully, next year with the new coach getting settled with his team and staff, the Indian fans will be looking for a few victories from the team.

The soccer team finished out their season with a 7-10 record. Although the season was not bad, with good participation next year the team will be even closer to a winning season. Sophomore John Voltz made second team W.O.L. Seniors Jeff McCreery and Jim Madden were awarded Honorable mention and Senior Mike Auricchio was chosen first team W.O.L. Auricchio and Voltz were also chosen All-Area, Mike second team and John Honorable Mention. The girl's varsity tennis balls didn't seem to have the compression needed for a winning team. The finest record in four years was a disappointing 2-19. Waker were invited to run at districts although they did not finish well. Capt. M. Scully commented, "There seemed to be more of a team effort this year than in the past, not individual!" With more participation next year Coach Taylor feels that the Indians could be even better!

INDIANS TAKE LONG

The Indian Basketball team traveled to the Troy Inv. with a long winning streak behind them. After winning only three of the first eleven games, the Indians pulled off 7 straight wins, only to drop the last 2 games of the season! The team now is at 10-10 (.500) and played top-seeded Sidney (17-1) in the first round of tourney play, to only lose by 3 points 66-63! Nice job team!!!

B. Thurman skies over Wayne for shot

The team effort, will to win, and fan support can be attributed to a fine basketball season this year. The Stebbins dribblers broke even this year with a 10-10 record! The Indians even compiled a nice seven game winning streak during the season.

GIRLS VOLLEY 2!

TOGETHERNESS ...

Togetherness and team work was the name of the game for the Indians girls basketball team, and those two words helped to compile a record of 12-7, the best ever. The team worked hard to be a winner and it showed throughout the season.

Their losses were heart-breakers, losing 4 of the 7 by two or less points. You could say that the lady Indians also had the away team blues by losing 6 of the 7 away from home. Their only loss at home came against Beavercreek 43-41. The toughest loss came at the end of the season. In the tournament at Wright State, after leading the whole game, they lost in the last few seconds to Wayne 35-34.

Some of their victories included Centerville, Meadowdale, Tecumseh, Northmount, and of course the victory over Springfield North, who had been previously undefeated, 38-34.

The girls basketball team had many outstanding achievements in 1980. Leading the team was **Senior Melissa Page** who received All-W.O.L. honors, honorable mention All-Area, and not surprisingly M.V.P. of the team. **Senior Diane Zugelder** made honorable mention in the W.O.L. and received the Coaches Award. **Juniors Kim Lippke, Terri Wilkerson,** and **Cindy Adams** were also voted honorable mention in the league and are looking forward to a great season next year.

The lady Indians are hoping that next season will be even better. They are returning six Varsity players in addition to the Junior Varsity players coming up. They all agree that they definitely have the potential, and with the guidance of coaches **Dee Hastler** and **Bob Montgomery,** the team should have no problem in 1981.

WRESTLERS

Although the 1979-80 wrestling team had a disappointing 0-7 season, they did have a few good things going for them. Captain Brian White showed how it's done by taking second place in the W.O.L. Sectionals and Districts; qualifying him for state. In addition he also won the M.V.P. award. The Coaches Award went to Sophomore Tim Begley who took fourth place in The W.O.L. Stebbins Wrestlers are looking forward to next season and hoping for a better record.

The men's track team started the season on the right foot with an opening victory over W. Carrollton. The following weekend they ran down the competition to pull out a second place trophy at the Tecumseh Inv., the first in at least four years. The Indians then competed in several events, the biggest being the Dayton Relays, although disappointingly they dropped the next two dual meets. The following week an upset was on hand when the Indians beat Springfield South, favored to win the WOL. The Indians closed the season with a fifth place at the Fairborn Classic and a defeat over Tecumseh in a dual meet. Our final record was a 3-3 with an uneventful 8th place at the WOL league meet.

G. TRACK TRIPS

The 1-5 record of the girls' varsity track team does not reflect on the outstanding efforts and performances throughout their season. Some highlights were their 3rd place finish in the W. Carrollton Inv. and their two relays finishing 5th (440) and 6th (880) respectfully. Some superb people added to the success throughout the year such as **Yonda Harrell** on long jump and **Joy Swan** anchoring both relay teams. The coaches award went to **Sandy Solomon** with the much deserved MVP award going to **Charme Enoch.**

BASEBALL DOMINATES DIAMOND

The 1980 Baseball team proved successful this year with perhaps its best season ever. Along with their 23-7 record, the team placed 5th overall in the state. They were also this year's district champs as well as finalists in the regional competition. Senior **Allen Thomas** was voted as all-Ohio, all-area 1st team and 2nd all-league pitcher. Junior **Don Reasoner** received all-area 2nd team and 1st all-league recognition. Sophomore **Scott Dunham** placed 2nd all-league and received honorable mention in the all-area competition. This year's M.V.P. award went to **Allen Thomas** and the Coach award went to **Anthony (A.J.) Jones.**

SOFTBALL WOMEN BAT TO 16-7

The women's softball team of 1980 finished off with an impressive 16-7 season. Not at all a bad way to follow their 19-1 record last year. An unconfirmed report has the girls finishing 3rd in W.O.L. M.V.P. award went to **Cindy Adams** with Coaches Award going to **D. Savasuk.** Both will be returning seniors and will lead the victorious 1981 varsity softball team.

The 1979-80 boys tennis team had its work cut out for it this season. Although they ended up with a 2-14 record, they put a lot of hard work into the season. **D. Grusenmeyer's** efforts earned him the M.V.P. award and **B. Hall** received the Coaches Award. Senior **J. Mongaraz** received the 3rd year award. Sophomore **B. Hall** and **S. Hayes** showed an impressive start. With a lot of hard work and dedication **Coach Montgomery** is hoping for a better season next year.

Swimmers Survive

The Stebbins swim team paddled their way to state competition this past year. Senior **Mark Back** swam to both a third and tenth at state competition respectively. With **Andrew Back** traveling along as a replacement and runner-up, it was a fine pairing. However, with a new rule this year the four member team was not allowed to enter any relays. Members of the team were Senior **Mark Back,** Juniors **Andrew Back** and **Mike Bending,** with Sophomore **Paul Price.** The latter team will return next year.

STEBBINETTES

The 79-80 Stebbinettes had a year of rebuilding and a year of new technique ahead of them.

They proved their talents at Tipp City by taking 4th, and 2nd in Best Inseption. At State competition they placed 2nd in Best Inseption, 7th in State, and 8th in Nationals.

Along with new technique, came a new advisor, Penny Walters, a former Stebbinette herself.

Some of the routines performed this year are flag routines done to songs like 'Vegas', 'What I Did For Love' and 'Cordova.' Dance routines to songs such as 'Don't Stop', 'American Bandstand', 'Free Ride', and 'Dallas.'

WHAT WE DID FOR LOVE

The fabulous marching band of Stebbins High continues to grow in spirit. The group started the year by attending a very busily scheduled week at camp. When August rolled around everyone was off to Bluffton College. Every morning, the members were awakened by beating drums, practiced all day, and ended the evening with a relaxing dance. Two of the largest music productions this year were **Cordova** and **What I Did For Love.** Besides marching at all the football games, the band also participated in the Kettering at Home Parade and could be seen marching at the Fairgrounds.

As in the past, the 1980 **Batawat** staff succeeded in putting together a record of the school's best places, people, and events. Even though things may seem dull at times, lacking spirit, and direction, when we reflect on our past, we realize how much fun and how exciting it all was. The theme for this issue points to the road we all travel through life. Our meandering turns and our destination depend on no one but ourselves.

Thank you Seniors: Vicki, Maureen, Barb, Holly, Katie, Jennifer, and especially, Teresa.

The 1979-80 cheerleaders began this year by attending camp at Ohio State University where the girls put in many long hours of practice. They received many excellent and superior ratings as they brought home the "spirit stick." The 'Senior gals' proved to be an excellent group as they received a superior rating for their pom-pom routine. Throughout the year, many awards were given including "Most Valuable" that went to **Holly Ellis, Michelle Gillespie,** and **Vicki Perry.**

VICA LIVES ON!

The Vocational Industrial Club of America is better known as VICA at Stebbins. VICA is made up of vocational students only. Their biggest money-making project this year was the annual fruit sale.

The vocational training at school proved to be paying off with most of the seniors landing jobs in their specialized field. Cindy Spicer, a senior in broadcasting, continued her job at the Dayton radio station, WDJX.

Jr. and Sr. Clerical had many bake and pretzel sales. Students in cosmetology had many patrons volunteer to have their hair washed, cut, and styled. Most seniors in D.E., Drafting, Auto Body, and Auto Mechanics had much luck in finding jobs half way through their last year in their field of training. The V.I.C.A. programs are designed to have the student ready to go into his or her special field of work after graduating.

Round II... an Exception

The Stebbins 79-80 Symphonic Show choir, **Round II,** is a succession of the 78-79 **Round I.** It is composed of 24 members and has once again proved to be an exceptional group of entertainers. This year's performances include Spring and Fall concerts, the artist series, a musical, and singing for church organizations. As a result of extensive practice every Thursday night for two hours, the group received a superior rating of "1" in class A and plans to attend the state contest in April.

Tri-M, Modern Music Masters is an organization of students who are involved in the music department and have an 'A' average. The groups that are eligible to be in Tri-M are band, choir, and orchestra. The group had their annual induction of new members. During that event, various groups of students performed their individual musical abilities. Also, at the music awards, the new officers were named for next year. Congratulations to those who received awards.

Bands Entertain

This year the Symphonic and Concert Band held a Pops Concert. The guest speaker was Gil Whitney from Channel 7. Both bands put on a very entertaining show. ADMINISTRATORS COPE

Administrators faced many changes and challenges during the 1979-80 school year. A few unfortunate administrative decisions had to be made. The district was shocked by a $334,000 deficit in its budget. This will mean cutbacks in extra curricular activities, and staff changes.

A few of the administrative changes made were Mr. Whitaker took Mr. Lane's place as the vocational director. Mr. Montgomery took Ms. DePalma's place as vocational counselor.

VICA

The Vocational Program was once again a success this year. The program gives the student a chance to experience what a job would really be like. Students have a choice between Cosmetology, Drafting, Electronics, and much more. It also gives the student, under teacher supervision, a chance to apply his skills which he has learned. The only flaw this year was the unfortunate loss of Stebbins own "WSMR", due to the rising F.C.C. costs. Stebbins is looking forward to the vocational program again next year.

PREZ. SPEAKS OUT

The Senior Class has been an outstanding and accomplished class. Throughout all 3 years of high school the class of "80" has chalked up a lot of firsts. We were the first class to: self-schedule as sophomores, win the float competition at Homecoming as Sophomores, have after prom away from Kettering Rec, bequeath the scalp to the juniors at all but one pep assembly, have a three way tie for valedictorian, raise over 1200 dollars toward the Senior Class Gift, graduate in the "80's." All the success of the Senior Class has been a group effort. Never one thing and seldom one person can make for success; it takes a lot of things merging together for success. I am just glad to have been the instigator of it for the past three years."

Seniors full of joy.

EXPRESSIONS OF THE CLASS OF "81"

Leading the mighty Junior class this year were President David Hale, and officers Kim Hatcher and Jenny Brubaker. The class of "81" had many opportunities to prove their strength and spirit by competing in the various activities held. Like any other class, the Juniors had their ups and downs. During Spirit Week, the Juniors only placed third in the hall decorating contest. Of course this was a big disappointment to all who spent lots of time and hard work on the hall. Spirits were high during the bed race when the Juniors made a fast comeback and ended up in second place. But the class of "81" had just begun, saving the best for last. Then finally came the exciting moment when everyone in the Junior class pulled together and won the **"SCALP."**

C. Judson supports Jr. class spirit.

JUNIORS— ENERGIZE!

A survey was given to the Junior class earlier this year asking several questions about becoming an upperclassman. They were asked to finish the statement, "This year's Junior class is the ____."

Some of the responses were most spirited, best lovers, rowdiest, loudest and the greatest thing that ever happened to Stebbins. Concerning the **"SCALP,"** the majority of the class feels they won it by loudness and spirit. Students agreed that the biggest difference between being a sophomore and being an upperclassman is the number of days until graduation. In answer to the question, "What advice would you give to next year's sophomores about being a Junior?", one Junior replied, "Grin and Bear it!"

Enthusiasm

From the first day the Class of '82 entered Stebbins High School, they have shown a great amount of spirit and school involvement. As an example, the sophomore class placed first in the bed race, and second in hall decorating during the Homecoming Spirit Week.

The halls were centered around the theme, the Wild, Wild West. There were scenes of saloons, cowboys, Indians and tee pees. The Halls were judged on creativity, neatness, and how well the students cooperated while decorating.

On Dec. 7 the Sophomores sponsored a Christmas Dance entitled, "Ice Castles." The Class of '82 raised money for the decorations by having bake sales. WSMR's D.J.'s Chuck Russotto and Cindy Spicer provided the music for the dance. There was a large turn-out with over 100 students in attendance.

Students Speak Out

This year the Yearbook staff conducted a survey to see what the class of '82 thought of their first day of high school. One question was, "What was your most frightening experience on the first day?" Some responses were:

Gary Miller-"I kept thinking I was going to get in a fight."

Kim Lozan-"Trying to find where the lunchroom was!"

Shelly Lowery-"Having to go to the bathroom, but not able to find it from where I was!"

Dale Holloway-"Looking at this one beast of a girl."

Daniel Greene-"Had none... so there!!"

'82 MOVING ON . . .

Some Sophomores shared their feelings on how the upperclassmen treat them:

Charity Fisher — "Most of them are super — they made me feel like I fitted right in."

Cindy Jackson — "Like underclassmen."

Patty Flanary — "Some act like they own the world."

Clyde Lipker — "Like *◀#' "

M. Judson "puts on the charm."

M. Marshall, S. Campbell, P. Cliff, the "irresistibles."

On behalf of the yearbook staff, students, faculty, and administration, we would like to offer sincere thanks to the advertisers who make the publication of this book possible. If it were not for the business sponsors, this issue of the **Batawat** couldn't have many of the expensive features, such as color pages, it now contains.

We urge all readers of this book to support the enclosed business organizations in the years to come.

Thank you once again for your support.

Good Luck Indians!

Dear Students and Parents:

We at **JOSTEN'S** are proud to serve you!

We believe we have superior products, warranties, and service!

We are very "student oriented" --we have been working with high school students in this area for a cumulative total of seventy-one years!

We support high school publications, yearbooks, class programs, and athletics!

We contribute to colleges and universities, and even have a scholarship fund!

We are interested in, and enjoy working with, today's youth!

We are proud of our product and our service. We replace broken and chipped stones, re-size rings if needed, and completely maintain rings as long as the student is in high school- at **no charge!**

If you have any questions, or if you would like to see samples of rings or stones, please feel free to call us. **Our number: 890-0841**

Being this the end of my sophomore year at Stebbins, I would like to say a few things to the yearbook staff, to my classmates of the Class of '82',to the Class of '81', and to the "Senior" Class of '80'.

To my classmates I would like to say that we could not have had a better beginning to our career at Stebbins, and we have two of the most wonderful years of our lives to go. To the people of Spinning Hills, I've known you for four years now and I have enjoyed every minute. To the people of Mad River, I've only known you for a year, but we've got two more years to catch up on things. We are together now as one whole class of Stebbins Indians and I salute you the "Class of 82."

To the Class of "81" now is your chance. I've never seen more spirit out of one class than yours. You are all the super people that will lead the 1980-81 school year as Seniors. Have fun "Class of 81."

To the Class of "80" I leave all my best wishes to the greatest bunch of people that I've ever been associated with. I've known some of you for years and some of you I just met, but I looked up to each and every one of you as the Seniors. You truly are the "Class with Class", the great "Class of 1980."

To the Yearbook Staff and the great Mr. Thomas A. Painter, I would like to say thanks for showing me the ropes. I think you'll agree that this yearbook is great. A special thanks goes to Teresa Pennington, without whom I would have never gotten through this year. You taught me everything I need to know, and I won't let you down as the successor to Editor of the **Batawat.**

Take care everyone
and All the best,

THE ROAD NOT TAKEN

by Robert Frost

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
in leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.
